Ovitt Disburses Community Development Block Grant (CDBG) Money

The Board of Supervisors approved today the update to the County's 2008-2009 Action Plan for the County's application to the Department of Housing and Urban Development (HUD) under the Community Development Block Grant Program. A list of recommended public service projects to receive funding was included as part of the application.

"The list of recommended projects for the Fourth Supervisorial District meet the identified needs of the recipient groups that applied", said Supervisor Ovitt.

"Money was extremely tight this year and there were many worthy projects that submitted requests, unfortunately we were not able to fund as many as we would have liked." Ovitt went on to say.

Once the County's Plan submission is accepted by HUD the County will have to update its Action Plan to cover fiscal year 2008-2009.

The following public service funding requests for the Fourth District were accepted:
